

Ministry Coordinator Council Report
March 2014

1. The Adult Discipleship is compiling a list of restaurants that do fundraisers for non-profits. Chilis, Applebees, and Sweet Tomatoes are likely locations at this point in time.
2. Alison Rodriguez and Amy Trunoske will attend a Small Group Leader Workshop on Thursday, March 20. The previous workshop was rescheduled due to illness.
3. My computer is up and running. THANK YOU! The minor challenges I that I do have with Word (specifically Publisher) documents, I am able to access on my Acer laptop. Dottie Stockton created a database for me to use to track members, spiritual gifts, areas of service, desired areas of service, etc. This program will not work on my MAC. However, Dottie has a copy of Office365 she purchased and she can load the program on one more computer and she has offered to install it on my computer. **Is there any concern with loading this program on the MAC so this database can be implemented?**
4. Youth and Family Ministry requests permission to do a fundraiser in conjunction with **Rita's Italian Ice** (owned by a friend of the congregation—Nina Jarlock). The fundraiser is in 2 parts.
1) The youth will sell vouchers for Italian Ice quarts for \$7. The vouchers are redeemed at the store. Youth Ministry will receive \$2 for each quart sold
2) On Wednesday, May 7 Rita's will host The Celebrity Scoop night from 4-8pm. Youth Ministry will receive 20% of TOTAL sales generated from any customer who walks through the door during that time frame. **APPROVE/DISAPPROVE** the youth fundraiser with Rita's Italian Ice.
