

**Music Minister Council Report**  
**Tim Beasley**  
**January 2015**

1. We're off to a good start for 2015 with our choirs and music groups. The regular schedule for rehearsals remains the same.

Mondays at 6:00 – KidSong Choir and TeenSong Band

Wednesdays at 7:30 – Rejoice Worship Band

Thursdays at 6:00 – Handbell Choir

Thursdays at 7:00pm – Adult Choir

2. There has been some interest expressed about holding another Music Fundamentals Class. This is a 10-week course that I developed to teach basic music notation and theory. I'll start advertising to see if there are enough interested students to start a class, most likely on Tuesdays.
3. Currently I have two very talented piano students from the congregation. It's a joy teaching young people. I'm open to more students if they are motivated to learn.
4. Thanks to Dwight and Judi Hempel for hosting a Christmas potluck for musicians at their home on the afternoon of December 28. It was well-attended and we all had a good time.
5. Thanks to Greg and Amy Trunoske for helping with KidSong on Monday evenings.
6. Happy New Year!
