

Music Minister Council Report

Tim Beasley

June 2014

1. This week I'll be helping with music in Vacation Bible School in the evenings.
2. I was able to get a badge to attend InfoComm later this week at the Convention Center. It's a trade show for audio/visual companies and more. I'll be gathering information about Assisted Hearing equipment and companies for our Tech Team. We recently received donations for a new system.
3. **Summer music camps** will soon be here. I have 12 kids registered thus far through our website. As usual, transportation, especially for the teens, is proving to be difficult. We'll be working on carpooling as well as exploring the bus routes for the kids.

TeenSong Camp (grades 6-12) will be July 7-18, Mon-Friday, 12:00pm-5:00pm

KidSong Camp (grades K-12) will be July 14-18, Mon-Friday, 1:00pm-5:00pm

Musical Performance is on July 18, 2014, at 6:30pm

The musical is called "Voicemessage" and it's about spreading God's message of love in our high-tech age.

Dean and Marcia Chapman will hold their annual youth pool party and BBQ in conjunction with the TeenSong camp on Friday, July 11, at 5:30pm.

4. I'm planning to take a week of vacation following the music camps (July 21-25). If I'm able to schedule substitutes, I'll be away from services that following weekend (July 26-27).
