

Ministry Coordinator Council Report July 2016

1. Sharon Barnard will serve as the team leader for Adult Discipleship.
2. Lay Leader Manuals have been updated and will be distributed at the July council meeting.
3. I will have a mini FaithWalk retreat for FaithWalk catechists (group leaders), faith partners, and FaithWalk alumni Saturday, August 6 (or 20) from 9 to noon. This may be off-site.
4. A Team Leader meeting/training for all team leaders is scheduled for Tuesday, August 30.
5. I am in the process of updating forms, files, and resources used for FaithWalk, Small Group Ministry, and ministry teams.
6. ACTION ITEM: This message was forwarded to me from Kim Fiore (LSSN and Senior Meal contact): "I have been contacted by both the Republican and the Democratic Party representatives that assist people in registering to vote. Both reps state that they are conducting non-partisan registration assistance. Their function is to help people register without promoting their respective parties. Danielle, our State RD, notified me that there is no program restriction as long as these representatives are clear that they are not to coerce or push people to do what they don't want to do. If you are ok with having either or both of them set up out of the way during the meal program for people to register if they want to, then I can let them know it is ok and arrange a date(s). If you would rather not, I can let them know that as well. If we do, then we would also put up a disclaimer sign that LSSN (or the church) does not endorse any party or candidate".
