

Ministry Coordinator Council Report

October 2014

1. I do not have anything “new” to report since the last meeting. Now I am just playing catch up by placing sponsors for FaithWalk and preparing for the Advent Devotionals. I hope to find my desk this week!
2. The Outreach Team is meeting to lay out a direction for ministry. I will work closely with Karen to develop this team and its mission.
3. The new TV is in the east end of the Fellowship Hall. Thanks to Eric Morrison and Greg Trunoske for installing the bracket and TV. Thanks also to Tim Beasley and Ray Betts for assisting with the details of the purchase.
4. The Art of Life class led by Austin Bowles just completed the 4th lesson. After showing up as the helping hand for a couple of weeks, I jumped in and started painting as well. There are 16 participants. Students will create an art project that will be displayed at Art Night 2014 on Saturday, November 8. Several of Holy Spirit’s artists will also display their art. Invite your friends and neighbors! This is a great outreach opportunity.
5. The Harvest Festival team is working hard to put on a great event for the community. Hope to see you all there!
